IvyMax Franklin Research Internship Program

The six-week summer program that engages highly motivated, high-achieving high school students in interdisciplinary, university-level research.

Students will be paired up with two mentors and a project manager to conduct university-level research for six-weeks. Students are expected to present their works and to submit a research paper on a selected subject after consultation with the mentor at the end of the program.

Research Projects:

- Asian American Studies
- Media: Fake News Detection
- Healthcare: Detecting Parkinson's
- Transportation: Drowsy Drivers
- Developmental Evolutionary Modeling
- Evolution of Pregnancy in Human
- MERFISH - Define cell membrane boundary using machine-learning model in human cancer cells

IvyMax - Stand Out in Your College Application

College Planning Programs (G7-11)	Monthly/Bi-Monthly/Quarterly		Appointments
College Application Programs (G11/G12)	Weekly/Biweekly/Monthly		Appointments

College Planning Programs (Include All College Application Program Services)

Our College Planning Program (CPP) designed for high school and middle school students alludes to a pragmatic coach for a star athlete. We provide high-quality, specialized counseling. IvyMax's CPP team helps design an optimal academic and non-academic "game plan" which includes:

- Various curriculum choices suited to your strengths
- GPA enhancement courses and tactics to help cover your weaknesses
- Refinement on study skills and daily habits
- Preparation for the PSAT, SAT Reasoning, SAT Subject, and AP Tests

We also encourage and motivate all of our students to pursue extracurricular activities, volunteer/internship work, and academic competitions. Our expert counselors and editors will provide a helping hand to boost confidence and ensure progress.

College Application Programs

Our program includes strategic planning, school choices, personal statement/essay brainstorming assistance, and editorial feedback, application form review, guidance for teacher recommendations and counselor reports, interview skills training and preparation, and more!

As a result, an exceptionally high percentage of IvyMax students have been admitted to Harvard, Princeton, Yale, Stanford, MIT, Caltech, UPenn, Columbia, UChicago, Duke, Brown, Dartmouth, Cornell, Northwestern, Washington U in St. Louis, Johns Hopkins, Rice, Emory, U Notre Dame, Vanderbilt, UC Berkeley, Carnegie Mellon, Georgetown, USC, UCLA, and various other prestigious, top-tier universities. We also connect many of our students to top liberal arts colleges, including Williams, Pomona, Wellesley, Bowdoin, Claremont McKenna, Harvey Mudd, Haverford, and Wesleyan.
